*The wait is over! Rihanna's River Island Winter 2013 collection hits stores in November. There are 40 key pieces that include, oversized varsity jackets, tartan separates, party dresses, long line tuxedo jackets and denim jumpsuits. The limited edition collection includes skinny leather trousers and an embossed bra top and skirt. Check out [www.riverisland.com](http://www.riverisland.com)*

## Intern to Stylist

Charlene Campbell

Intern to Stylist (£9.99) is the ideal read for aspiring fashion stylists. Author and celebrity stylist/presenter, Charlene Campbell, gives the inside scoop on how to get into the business and looks at the growing trend of techno fashion, online stores and online magazines. It equips you with the key tools on how to get started, the show seasons, right through to vital contacts. Available from [www.amazon.co.uk](http://www.amazon.co.uk)

Organic Root Stimulator was one of the main sponsors for this year's Ghana Fashion Design week, which took place at the luxurious Movenpick Hotel in Accra. The event was held in October and attracted over 20 designers and was a huge platform for supporting local talent. An Organic Root Stimulator spokesperson said, 'The Ghana Fashion Design Week is in line with our philosophy of supporting other businesses in the community.'
